

Letter of his Excellency Fernando Gelbard, former Ambassador of Argentina to France,
Member of Honor of "Yiddele' Memory"

Los Angeles, February 4th, 2014

Ms. Rachel Lea Kesselman
President and Founder of "Yiddele' Memory"

Dear Rachel,

I am a Radomsker Jew although I was born in Argentina. My father, a Radomsker by birth, had the honor of becoming the Minister of Economy of Argentina. He never forgot where he came from.

You, Ruchel-Laja, are reviving the soul of the town in which all my family was born and I am very touched by that. The fact that our families are linked through our fathers also moves me a lot. The "First Jewish Open Air Museum in Europe" is a brilliant idea !

I feel honored by your invitation to become a Member of Honor of your institution.

Please, count on my support for your project, which is the project of all of us, Polish Jews of Radomsko and for the Memory of all the victims of the Holocaust.

I invite every people of good will to participate with great enthusiasm to your Project !

Sincerely,

A handwritten signature in black ink, appearing to read "Fernando Gelbard". The signature is written in a cursive style with a long horizontal stroke at the end.
