Dear Miss Kesselman,

As Holocaust Survivor of Extermination Camp of Sobibor in Poland, I am glad to confirm that I am a Member of Honor of your Organization "Yiddele' Memory" since September 2011 (Young Children of Holocaust Survivors' Organization).

Besides, your idea of creating the 1st Jewish Open Air Museum in Europe that will show at least 40 Jewish Buildings in a beautiful city as Radomsko, mainly built by the Jews in the 19th century, is a fantastic historical and cultural Project !

This action will remain forever and is a great tool to teach people and especially the youth about Jewish Culture in Poland and about Holocaust.

Don't forget that in a few years, there will be no more direct witnesses of what happened in extermination camps.

Therefore, I support your Project and I ask to people of good will to morally and financially help you.

Good luck and Cordial Shalom,

Philip Bialowitz
