

ד'תשע"ד

April 23, 2014

I am honored to support and to be a member of honor of the project of "Yiddele' Memory". This is a unique project which does not only talk about remembering but actually does remember the Jews of Radomsko. It is not a virtual tribute, it is not a tribute someway far from their home but a real physical tribute and memorial to the Jews of Radomsko in the place where they lived, laughed, prayed and cried.

Thank you Rachel Lea Kesselman for all you have done to make this idea into a reality. We need more projects like this in Poland.

Sincerely, 

Michael Schudrich
Chief Rabbi
Jewish community of Poland
